

# CHATEAU REYNIER

## Bordeaux

### *HISTORY*

*This fine vineyard is located on the hillsides of the Entre-deux-mers, close to Saint Emilion. in the cellars of Chateau Reynier. Since 1996, Marc LURTON an oenologist by training, has run the estate with his wife Agnès.*

### *VINEYARDS SURFACE AREA AND GRAPE VARIETIES*

*Merlot 50 % Cabernet Sauvignon 50 %*

### *SOIL*

*Limestone and clay with asteria limestone subsoil  
Yield.*

### *VINEYARD MANAGEMENT*

*Integrated crop management enabling healthy grapes without destabilising biological balance of the vineyard.*

### *VINIFICATION AND AGEING*

*Rigorous selection during the harvest (grape variety and plots are vinified separately). The vinification is carried out with the most recent techniques. Classic Bordeaux vinification : total de-stemming, temperature of fermentation 77° F to 86° F.*

*2 to 3 weeks of maceration, malolactic fermentation.*

**No oak ageing.**

### *BOTTLING*

*Chateau bottled with our own bottling line.*

### *TESTING NOTES*

*Deep ruby red in colour. Fresh aromas of ripe red berry fruit. Medium body and well balanced, with round integrated tannins. Long in the finish. A delicious fruit driven wine.*
