

# CHATEAU DE BOUCHET

## AOC Bordeaux Rosé

### HISTORY

The lands of Bouchet have always been populated and cultivated since the Celts and Romans times. This is a land of strong positive energies. At the 12th century the monk's soldiers that belonged to the Templars, built a church and some facilities in the forest around the village of Bouchet and started to cultivate grains and grow vines. The property was bought in 1901 by the Lurton family, the largest wine Dynasty in the world. Chateau de Bouchet was one of the first estate acquired by the family. Since 1996, Marc Lurton, Oenologist from Bordeaux University and international wine consultant, runs the estate with his wife Agnes and was recently joined by his daughter Pauline, the 6 generation of the family.

### LOCATION

The vineyard is located on the heights of Entre-deux-mers, 10 km from Saint Emilion. The vines of Bouchet grow on limestone subsoil, under which a cave was dug in the past to build the manor. Nowadays, the cave is used to age the fine red wines in oak barrels.
